Schedule Changes

updated 6/2/2020

'Office Arrival times' are booked to allow an appropriate flow and extra time for cleaning and disinfection.

To limit traffic, only 1 doctor will be working at any given time.

The other doctor is available to assist you moving in and out of the office.

Each doctor is working alone, serially booking 3 people per hour.

Start times are every 20 minutes

Thank you for helping us to continue serving the community in this way.
